Mr. Allen W. Dulles, Director
Central Intelligence Agency
Washington 25, D. C.

Dear Mr. Dulles:

Thank you for your letter of July 4 concerning the construction of a new headquarters building for the Central Intelligence Agency and the consolidation of all printing and reproduction facilities which are now serving the agency with classified printing.

We shall be very glad to enter into discussions in order to develop a plan which can be implemented at the appropriate time in the future. I have designated Mr. Harry D. Merold, Production Manager, to represent me in this matter. Mr. Merold is currently on leave through July 16, but he will contact Colonel White, your representative, shortly after his return.

I appreciate very much the friendly tone of your letter, and I am sure that we shall be able to work this matter out to the entire satisfaction of the Central Intelligence Agency.

Very truly yours,
